A resident may request that their utility account information be kept confidential. Please select one:

YES, I request confidentiality of my information

NO, I do not request confidentiality

### **PLEASE READ AND SIGN THIS AGREEMENT:**

There is a \$100 deposit required for all residential customers. The deposit will be refunded at the end of the service term provided that a 30-day written notice prior to the termination date is submitted to our office and all bills have been paid in full. If at any time the account becomes delinquent and it is necessary to disconnect service, there will be a \$30 disconnect fee plus a \$60 reconnect fee at the time the account is brought current.

Grinder pumps are the property of the home owner and will be maintained by the customer. Customers will also be responsible for any damage to other equipment owned or operated by the Utility caused by misuse or improper disposal of items not intended for treatment in a wastewater collection system including without limitation, items made of metal, wood, plastic or other rigid material, cloth, string or other textiles, including personal hygiene products.
